

Good evening, everyone. It is a great honour to stand before you all, today on this joyous celebration of our school annual day PRANAVAGNIKA SEASON 3.

I extend a warm welcome to our honourable Chairman Sree Gokulam Gopalan Sir, most respected director of Gokulam group of Schools Prof. Sunny Francis, esteemed guests, Madam Dhanaja, Correspondent Sree Gokulam Public school Pazhuvil, Madam Sreeja administrative officer Sree Gokulam Public school Pazhuvil, parents, teachers, and , our wonderful students who make us proud each day.

With the grace of our honourable Chairman Sree Gokulam Gopalan Sir we have a nurturing environment where curiosity is encouraged,.... where every student is considered, and where we prepare young minds to face the challenges of tomorrow.

Thank you dear and most respected Sree Gokulam Gopalan Sir and all the management faculties for your true vision and mission.

Excellence is never an accident. It is the result of high intention, sincere effort, intelligent direction, skillful execution and the vision to see obstacles as opportunities.

Excellence and glory never part with each other. They are like the two sides of a coin. As Pat Riley says, excellence is the gradual result of always striving to do better.

Concerning our institution, in the past few years , we can proudly say that the graph of excellence is soaring to heights. This elevation happens only because of our visionary leader, our honourable Chairman Sri Gokulam Gopalan sir who is still a motivation and inspiration for all of us. His dedication, involvement, his magnanimity, everything proves that age is just a number. Together with him the strong and empowering management plays a crucial role to bring us to the summit. The team of hardworking, dedicated staff who are ready to accept and implement the instructions also help to bring our institution to the pinnacle of excellence and glory. The various awards and recognitions we received from different sectors serve as the testimony for it. With pride in attitude and humbleness in deeds, we are sure to achieve more. Our journey to excellence never ends. In this journey, we hold our students and parents to our chest. We know that their cooperation and support is an important factor in this journey.

At this moment a proverb comes to my mind. " United we stand, divided we fall". This is very true. People are stronger and more productive when they work together and support each other, but become weak and vulnerable when they are divided by conflicts or self interest. Keeping this motive in our minds we assure you sir, that we will mark our signature among the Gokulam schools. Our talented students have brought glory to the school in different areas of arts and sports also. The enthusiastic students and co-operative parents are our backbone. Together we fight and strive for the best in every future endeavors. With pride, but with humbleness let me personally take this opportunity to thank our Honourable Chairman Sri Gokulam Gopalan sir, our guests and all our invitees who have come over here to make our Annual Day a memorable one.

Thank you sir and thank you all.

I'm proud and happy to be a part of the glory of this institution and to inculcate confidence and social awareness among our students. Education.....is not acquiring knowledge from the four

boundaries of a class room..... It is not only in the academic results..... But we make them good human beings. We provide chances to think and act accordingly. The children sitting in front of us, should fulfill the desires of their parents.... their families the society and our country. Only then the main aim of education can be accomplished. We can proudly tell that we are grooming our cute angels with discipline, honesty, empathy and self-respect. Our students worked for “ Together with Thrissur”.... a mission for helping the poor and needy hosted by our former District collector.

The Annual Day is not just a showcase of talents and achievements, but a testament to the values and ideals we uphold as a community.

As we look to the future, we are committed to continuously providing and evolving our students with the tools they need to succeed in a rapidly changing world.

Once again, we have risen to the pedestal of prestigious awards. This success is no coincidence. At Gokulam, Pazhuvil, we do not believe in idle gaps or wasted moments; instead, we transform every opportunity into productive and innovative work. This journey has been made possible by the patience, persistence, and perseverance of our dedicated staff and determined students, who have consistently turned challenges into triumphs. As Aristotle rightly said, "We are what we repeatedly do. Excellence, then, is not an act, but a habit." Today, excellence is no longer a goal we strive for—it is a habit we proudly live by.

None of these accomplishments would have been possible without the tireless effort of our teachers and staff.

They are the backbone of this school, guiding our students, nurturing their talents, and shaping them into future leaders.

I would like to express my deepest gratitude to each of them for their dedication and passion.

To my children, I want to tell you one thing, continue dreaming big and working hard ;never be afraid to fail. Every setback is a stepping stone and every challenge is a chance to grow.

Remember, success is not defined by the number of awards you collect or the grades you achieve.

It is about perseverance, resilience, and the courage to keep going, even when faced with challenges.

You have the potential to achieve greatness, and we will always be here to support you every step of the way.

Dear parents, Let me bow my head towards you for your unwavering support. Your encouragement is the foundation upon which our students build their dream. Let's continue to work together for the success of the wonderful gift box, from god.

And to the administrative staff and supporting team, and every member of school community, your efforts behind the scenes effort do not go unnoticed. Your commitment keeps our school running smoothly and creates the safe, vibrant environment where learning can flourish.

Together we will write the next chapter of our school's story...a chapter marked by purpose, passion and perseverance.
